Russel deCarle - Those who remember Russell deCarle as the lead vocalist and bassist of the iconic Canadian country roots band Prairie Oyster understand he is no stranger to awards and accolades.His "Oyster years" were rewarded with six Juno Awards, more than a dozen Canadian Country Music Awards and enough gold and platinum records and #1 singles to fill a living room wall**.** Opening is **Girl Haggard**, a band that's been making waves in Alberta's music scene for years. The duo features Marina Barrett and Darren Barton, both seasoned musicians with deep roots in the province's rich musical landscape.

March 6, 2027 - Twinbill Lewis & Royal; Cassie & Maggie

MESSAGE FROM THE BOARD

Dear neighbours and friends,

As December arrives and another year draws to a close, it's a wonderful time to pause, reflect, and appreciate all that makes our community special. Throughout 2026, our neighbourhoods have continued to grow, connect, and thrive. From community events and programs to the everyday moments of neighbours helping neighbours, it's the people who make the SCA what it is. We are grateful to everyone who has been part of another memorable year.

A Few Highlights from 2026
This year has brought continued progress, important improvements, and plenty of opportunities to bring our community together. A few highlights include:

Community Connections: From the Parade of Garage Sales and Stampede Breakfast to Recycle Day and the Halloween Pumpkin Carnival, 2026 was full of opportunities to bring neighbours together. Add in our Seniors Dances, weekly programs, summer camps, and special events like Take Action on Radon and Post-Secondary Information Night, and it's been a busy year at the SCA! Thank you to everyone who joined us and helped make it all happen.

Investing in Our Facility: We are pleased to share that the replacement of our roof has been completed. This was an important capital project and a significant investment in the long-term care and sustainability of our facility. Along with the completion of our updated security system, these improvements help ensure the SCA remains a safe, secure, and welcoming place for our community.

The Power of Volunteers: Behind so many of our events and activities are dedicated volunteers who generously give their time and energy. Their contributions make a tremendous difference, and we are continually grateful for their support.

Looking Ahead to 2027
As we look toward a new year, our focus remains on building an even stronger, more connected community. We look forward to continuing to offer engaging programs and events, maintaining and improving our community facility, and finding new ways to bring neighbours together. We also encourage residents to share their ideas, get involved, and help shape what the future of the SCA looks like. There is always room for new voices, fresh ideas, and helping hands!

On behalf of the Board of Directors, thank you for your continued support, involvement, and community spirit throughout 2026. We wish you and your families a wonderful holiday season filled with warmth, happiness, and time spent with those who matter most.

With gratitude,

Your SCA Board of Directors

Albertans have spoken, and their message is clear, Alberta's future is within a strong and united Canada. They want greater control over decisions affecting their communities and their future. Our government respects the democratic will of Albertans and will honour that decision while continuing to stand up for the interests of Albertans and ensure Alberta has a meaningful voice in Confederation.

We are delivering real results for Albertans by standing firm and defending our economic interests, from eliminating harmful federal energy policies to advancing the Pacific Link pipeline and attracting major new investments, we are creating opportunities for good-paying jobs, economic growth and a stronger future for Alberta families.

After years of federal policies that held Alberta back, there is growing recognition across the country that our energy, agriculture, and natural resources are essential to Canada's prosperity. Now is the time to come together and build on Alberta's momentum. Regardless of how Albertans voted, we share a common desire for a prosperous, free, and successful province.

During the fall session of the legislature, the Alberta government is introducing legislation that addresses affordability, health care, education, and the economy. Protecting Albertans and the province remains our priority, with measures to safeguard children, vulnerable Albertans, property owners, consumers, and natural resources.

The fall agenda delivers practical changes to help families keep more of their hard-earned money, strengthen accountability, and ensure Alberta remains the best place to live, work, and raise a family.

Please contact my office should you have constituency related concerns that you would like to bring to my attention.

May the spirit of Christmas fill your lives with love, hope, positivity, and joy! I wish you and your loved ones a very merry Christmas and a happy, healthy 2027!
